

Call for Papers
**2nd International Conference on Recent Innovations in
Computer Science and Information Technology
(RICSIT-2017)**

Himachal Pradesh University, Shimla, India.

19th and 20th May, 2017

2nd International Conference on Recent Innovations in Computer Science and Information Technology (RICSIT- 2017) invites full length original research papers in the field of, primarily, Computer Science and Information Technology. Authors from across different parts of the world are invited to submit their papers. The conference will have an amalgamation of the below mentioned tracks but not limited to the following:

Track # 1	Software Engineering
Track # 2	Cloud Computing
Track # 3	Computer Networks & Internet Technologies
Track # 4	Artificial Intelligence
Track # 5	Information Security
Track # 6	Databases and Distributed Computing
Track # 7	Digital India

Authors may visit our website to view all topics falling under above mentioned tracks. The conference programme will include address by keynote speaker and paper presentations. All submitted papers will be peer-reviewed by experts in the fields based on the criteria of originality, quality, innovation, contribution to society and clarity. The conference will provide a platform for exchanging ideas within the research community and will encompass regular paper presentation sessions, invited talks and keynote addresses. We invite you to submit your full-length papers as per the following schedule:
